Dr. Ken Krimpelbein D.C. Is a leader in MLS Laser Therapy. We are the Exclusive National Trainers of MLS Laser Therapy in North America, having trained hundreds of offices including: Orthopedic Surgeons, MD's, Radiologists, Podiatrists, Chiropractors and other specialties.

MLS Laser Therapy is an effective, painless treatment for all types of pain relief that has been cleared by the FDA and proven successful as evidenced by extensive and credible research studies conducted in our country's finest institutions, including Harvard Medical School.

Our laser is a dual-wave synchronized fully robotic MLS Laser. Our laser uses specific wavelengths of light that have a strong anti-inflammatory, anti-edema effect on tissues that are exposed to the laser. As a result of the MLS Laser, the cells of tendons, ligaments and muscles repair themselves faster. In simple terms, laser energy kick-starts the healing process, thereby speeding recovery. No matter if you have long standing pain from prior surgery, injury, arthritis, or you have a new injury MLS Laser Therapy has been proven to work.

Armed with his cowboy grit and Navy SEAL training, Kayce faces cartels, gangs, and violent extremists while balancing family and duty. This Yellowstone spinoff delivers 13 episodes of high-stakes action and emotional drama, starring Luke Grimes alongside Gil Birmingham, Mo'Nique, Arielle Kebbel, Ash Santos, Tatanka Means, and Logan Marshall-Green. Created by Taylor Sheridan and Spencer Hudnut, the series blends neo-Western grit with procedural intensity for a bold new frontier in the Yellowstone saga. Paramount

The Mummy The film follows the Cannon family—journalist Charlie (Jack Reynor), his pregnant wife Larissa (Laia Costa), and their children. While on assignment in Cairo, their daughter Katie is abducted by a mysterious woman during a sandstorm. Eight years later, the family, now living in Albuquerque, New Mexico, is shocked when an Egyptian plane crash reveals an intact, ancient sarcophagus carrying Katie. When the family brings their traumatized and catatonic daughter home, they soon realize something deeply sinister is wrong with her. Katie begins to exhibit unnatural, violent behavior, and her shedding skin reveals ancient incantations written on her body. As a detective investigates a multi-generational ritual back in Egypt, the demonic force uses Katie as a vessel, and the malevolent presence rapidly spreads throughout the household. Warner

Elementary Cinema The Early Films of Sherlock Holmes Venture into the early years behind one of the most well known characters in history. From the mind of Sir Arthur Conan Doyle came the iconic literary character of Sherlock Holmes. From the pages, to the stage, and finally to the big screen, Sherlock Holmes has been reimagined time and time again. The Early Films of Sherlock Holmes is a 45-minute documentary written by C. Courtney Joyner and directed by Daniel Griffith. It explores the first four decades of Sherlock Holmes on screen before Basil Rathbone's famous 1939 films, tracing the detective's early history in cinema. Film Masters

Mortal Kombat II follows washed-up action star Johnny Cage, Princess Kitana, and Earthrealm's champions as they face the brutal Emperor Shao Kahn in an interdimensional tournament. The film opens in the past with the collapse of the peaceful realm Edenia. Emperor Shao Kahn defeats King Jerrod in combat, slaying him and taking young Princess Kitana as his adopted ward and enforcer. Sonya Blade and Raiden track down Johnny Cage a struggling 90s action star working convention circuits and bring him through a portal to the Sky Temple to train with Earthrealm's defenders. Earthrealm's finest warriors face off in relentless, bloody combat against Outworld's forces under Shao Kahn's tyrannical rule. During the main event matches, Shao Kahn overpowers Earthrealm's fighters, seemingly dooming the realm. However, Princess Kitana turns against her adoptive father, publicly renouncing Outworld and demanding to fight on behalf of Earthrealm. New Line / Warner

Dead Man's Wire On February 8, 1977, in Indianapolis, a furious real-estate developer named Tony Kirtsis (Bill Skarsgård) goes to the Meridian Mortgage Company to confront wealthy broker M.L. Hall over a ruined land deal he believes cheated him out of millions. Finding that M.L. Hall is on vacation, Tony instead targets the broker's son and company president, Richard Hall (Dacre Montgomery). He traps Richard using a literal "dead man's wire" wrapping a thin wire tightly around Richard's neck and connecting it to the trigger of a sawed-off shotgun, ensuring any sudden movement or attempt by police to intervene will instantly fire the weapon, Tony hijacks a police car and marches his hostage through the streets to his apartment. Over a multi-day standoff, he demands a public apology, financial restitution, and immunity, utilizing local radio DJ Fred Temple (Colman Domingo) to broadcast his anti-establishment grievances and capture the attention of a mesmerized public.
